### Forward-Looking Statements

This press release includes forward-looking statements within the meaning of Section 27A of the U.S. Securities Act of 1933, as amended, Section 21E of the U.S. Securities Exchange Act of 1934, as amended, and the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements are statements that are not historical facts, such as statements regarding assumptions, expectations, forecasts, beliefs or intentions related to financial results, commercial results, timing and results of clinical trials and U.S. FDA and other regulatory agencies authorizations. Forward-looking statements are based on our current knowledge and our present beliefs and expectations regarding possible future events and are subject to risks, uncertainties and assumptions. Actual results and the timing of events could differ materially from those anticipated in these forward-looking statements as a result of various factors including, but not limited to, FDA approval of, or other regulatory action in the U.S. and elsewhere with respect to, our product candidates, the commercial launch of current or future product candidates, our ability to achieve favorable pricing for our product candidates, the expectations regarding the commercial supply of our product candidates, third-party payor reimbursement for our product candidates, our estimates regarding anticipated expenses, capital requirements and needs for additional financing, the potential market size of treatments for any diseases and market adoption of our products by physicians and patients, the timing, cost or other aspects of the commercialization of our product candidates, the completion of, and receiving favorable results of, clinical trials for our product candidates, application for and issuance of patents to us by the United States Patent and Trademark Office, or U.S. PTO, and other governmental patent agencies, development and approval of the use of our product candidates for additional indications and our expectations regarding licensing, business transactions and strategic operations. We discuss many of these risks in greater detail in our annual and other periodic filings with the SEC, including under the heading "Risk Factors" in our most recent annual report. Although we believe these forward-looking statements are reasonable, they speak only as of the date of this release and Foamix undertakes no obligation to update publicly such forward-looking statements to reflect subsequent events or circumstances, except as otherwise required by law. Given these risks and uncertainties, you should not rely upon forward-looking statements as predictions of future events.
